FRINGE EVENT – 23-25.06.2017

SACUIDIC HISTORICAL REVIVAL

FORNI DI SOPRA

The Historical Festival will bring to light the “ancient” way of life of 13th century Forni di Sopra residents, when the village was ruled by the Nonta Germans.

The highlight of the festival will be the re-evocation of a turning point in the village history: the siege and victory of the Savorgnan Family, and the burning down of the old manor.

ADDED VALUE FOR GEMS PARTICIPANTS

The Festival will allow for the exploration of traditional and sustainable practice, related to daily life, that could represent an inspiration for the solidarity and sustainable models that GEMS intends to create.

The Festival will allow visitors to experience old ways of life, starting from forgotten handicrafts, traditional medicine and ancient cuisine
